

Capacity Building Initiative

Reaching the NGO Community Nationwide

Building Capacity
for Myanmar Citizens
Working in the Social and Development Sector

Our Vision

Competent individuals and organizations are working together and enthusiastically contributing their capacity for the development of Myanmar.

Our Mission

CBI is a nationally recognized organization providing quality trainings, facilitation and consultancy services to individuals and organizations working for the development of Myanmar.

Our Intellectual Assets

A group of young, intelligent, experienced and energetic people with good educational records from Universities belongs to CBI. Besides, they are also receiving capacity and skill trainings and workshops continuously from famous institution and individuals inside and outside of Myanmar. They all share the core value of "Quality" and "Accountability".

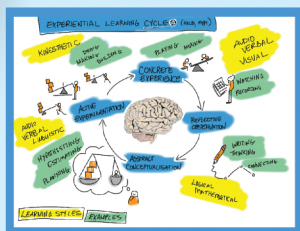

Trainings/ Services from CBI

CBI is a reliable source for competent trainings and workshops, professional consultancy services and effective facilitation services.

CBI develops training calendars for in-house training including full schedule and process and disseminates them regularly to NGO Community. Moreover, CBI provides customized trainings to projects and programs staff of UN Agencies, International and National NGOs and CBOs based on their requests and needs.

To enhance the organizational capacity, CBI also provides OD and HRD consultancy services for National NGOs and CBOs.

CBI adopts and adapts the advanced facilitation methods in line with local context. CBI mainly uses suitable selected facilitation methods in all trainings.

Experiential Learning is one of the core approaches of CBI trainings. Because of the essence of this approach, participants can learn from their own experience and also from those of others.

CBI - FNS Partnership Program

CBI and Facilitators Network Singapore (FNS) signed partnership agreement since 2013 to promote and develop the facilitation skill of Myanmar people. FNS is a private company limited registered in Singapore and affiliated with the International Institute for Facilitation (INIFAC). It organizes regular learning and development activities for local and regional network of facilitation.

According to the agreement, SPOT on Facilitation in Myanmar Version was published and CBI has been delivering SPOT on Facilitation Workshops in Myanmar. Certificate of completion is awarded by FNS and it will pave the way for the talented and interested myanmar facilitators becoming internationally certified facilitator. This is a special arrangement by CBI and FNS to build up facilitation professionals who are becoming more and more important and essential for achieving the desired outcomes by the groups, organizations, seminars, workshops, meetings and even in teaching.
